

Anton Gerner's journey started at Preshil.

Anton's eye for the original and passion for creativity found an ideal home at Preshil.

Our students take a pro-active role in their education. They gain the confidence to believe anything is possible. That's what makes Preshil unique. A child's potential is theirs to discover: we help them find it.

Open Day Saturday May 14
Borland Building Open Day
Sunday June 5

Visit www.preshil.vic.edu.au or call **9817 6135** about open days, information nights and tour times.
